INTERNATIONAL AQUARIAN TEACHER PROGRAM LEVEL 1 (KRI)

A three week program to become a worldwide recognised Kundalini Yoga Teacher

*"Meditation is not what you think.
It is what you do with total dedication."*

The Kundalini Research Institute (KRI) is a non-profit corporation established in 1972 which certifies the Level 1, 2 & 3 Aquarian Teacher programs <https://kundaliniresearchinstitute.org>.

The International Kundalini Yoga Teachers Association (IKYTA) was established in 1994 to spread these transformational teachings through the united efforts of Kundalini Yoga teachers worldwide. <https://www.ikyta.org>

KRI, IKYTA and 3HO are organisations initially founded by Yogi BhaJan who passed away in 2004 and are now carried forward by teachers and trainers who continue to develop, serve and spread the integrity of the teachings in alignment with the consciousness of the Aquarian Age. The program is open to students who are ready to become teachers and to those who wish to just immerse themselves in the spiritual and yogic science of Kundalini Yoga.

Kundalini Yoga is a Raj Yoga that is rooted in ancient yogic science, philosophy and spiritual texts. In 1969, Yogi BhaJan brought Kundalini Yoga more widely to the West in the form of a householder's dharma to be transmitted through experience - practical, inclusive, efficient, transformational and relevant for the times - and for others to carry these teachings forward into the Aquarian Age for the upliftment of humanity.

Yogi BhaJan, Master of Kundalini Yoga, arrived in the United States in 1969 with a stated mission: "I have come to create Teachers, not to gather disciples." Since then he has travelled internationally teaching Kundalini Yoga, the Yoga of Awareness. In 1969 Yogi BhaJan founded 3HO — the Happy, Healthy, Holy organization, based on his first principle "*Happiness is your birthright.*" Through 3HO and the Kundalini Research Institute (KRI), Yogi BhaJan trained thousands of Kundalini Yoga Teachers. In 1994, 3HO founded the International Kundalini Yoga Teachers Association, (IKYTA), to further spread these priceless teachings through the united efforts of Kundalini Yoga teachers worldwide.

Sixteen years after Yogi BhaJan's death in 2004, allegations of sexual misconduct were brought forward by some of his former students. An independent investigation in 2020, sponsored by the organization he founded, concluded that it is more likely than not that Yogi BhaJan engaged in sexual misconduct and abuses of power. This disclosure brought with it great transformational potential for our sense of community and the structures that were built to carry the teachings into the Aquarian Age. It also necessitates that KRI and its teachers and trainers focus on the valuable yogic teachings more than the man who shared them. KRI and all trainers of this training remain committed to upholding the dignity of all humans and the highest ethics of this path of consciousness.

A three week program to become a worldwide recognised Kundalini Yoga Teacher

Important note

Please take into consideration that three weeks and on weekend format is an intensive training format, which mostly is spread out over eight to ten weekends in person teaching and a residential week. During the week sessions you will be receiving a lot of information, material, exercises and philosophy to digest in between the sessions. Allow yourself some time to integrate your experiences after each training unit.

A part of the training is also to do seva (selfless service, or Karma Yoga) during the residential weeks, which might consist of helping prepare or cook food, cleaning up and perhaps some light cleaning at the accommodation.

There won't be an evening program every evening, so there is time to yourself and rest when needed.

You are required to attend at least 12 sadhanas (but encouraged to join all of them ;-).

"The purpose of life is to watch and experience living.

To enjoy living every moment of it.

And to live in environments which are calm, quiet, slow, sophisticated, elegant. Just to be.

Whether you are naked or you have a golden robe on you, that doesn't make any difference. The ideal purpose of your life is that you are grateful—great and full—that you are alive, and you enjoy it."
